

## **ForumAlpinum 2007, CH-Engelberg**

### **Project Fair 2**

Thursday, 19.4.2007, 15.00 – 16.30

### **Global change research in European mountains: Implementation of the GLOCHAMORE Research Strategy and the Research Agenda to the multi-annual working programme of the Alpine Convention in the scientific community**

Organisers: Astrid Bjørnsen (MRI), Heinz Veit & Thomas Scheurer (ISCAR)

Addressed organisations: MRI, MAB-UNESCO, ISCAR, Secretariat of the Alpine Convention

### **Objectives**

- 1) To explore the factors determining whether or not and how research recommendations are taken into account and implemented by scientists (how to facilitate the implementation of recommended research)
- 2) To motivate individual scientists or project coordinators to use the presented research recommendations (GLOCHAMORE Research Strategy and Alpine Convention) for future research activities.

### **Programme**

15.00 Introduction, objectives

*Thomas Scheurer*

15.05 The GLOCHAMORE Research Strategy: how to make research happen?

*Astrid Bjørnsen Gurung*

15.15 Research Agenda to the multi—annual working programme of the Alpine Convention: rationale and state of implementation

*Thomas Scheurer*

15.25 COST Strategic Workshop

*Robert Jandl*

15.30 Discussion on inputs

15.40 Presentation of discussion topics:

#### **1) Communication strategy**

Which are effective and ineffective tools or means of communication to

inform the research community about research recommendations (such as the GLOCHAMORE Research Strategy or the Alpine Convention)?

**2) Incentives for research implementation**

Which factors enhance or hamper the adoption of research priority themes (such as highlighted by the GLOCHAMORE Research Strategy or the AC MAP) by individual scientists?

**3) Impact assessment**

What are suitable instruments/indicators to monitor the success\* of research implementation based on research recommendations (such as the GLOCHAMORE Research Strategy or Research Agenda to MAP)?

15.45 5-minutes-inputs from panel members

*Thomas Schaaf, Regula Imhof, Jean-Jacques Brun, Christian Smoliner  
(all asked)*

16.05 General discussion (cards)

16.25 Summary and Outlook

16.30 Closing
